Fitness Classes

FOR OVERNIGHT RESORT AND SPA GUESTS AGES 16+ (GUESTS UNDER 18 MUST BE ACCOMPANIED BY A LEGAL GUARDIAN).

*AQUA ZUMBA

There is less impact on your joints during an Aqua Zumba® class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles. Those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy with water resistance, for one pool party you shouldn't miss!

*AQUATIC CONDITIONING

Give your joints a rest, and jump into the Spa's saline pool for a non-impact cardio, core, and strength intensive aquatic workout.

BARRE FUSION

An energizing full-body workout to popular music that uses movements derived from ballet, but it is not choreographed or complex. Class will include small, pulsing movements with emphasis on form, alignment and core engagement. Benefits include improved strength, posture, flexibility, balance, stability, endurance, and muscle definition, together with weight loss and reduced stress.

CHAIR YOGA
